**VI. Required Documents (attach):**

1. A completed Registration Form (this form).
2. A Xeroxed or scanned copy of the applicant’s employment or student ID.

**V. Priority of Training:**

According to our Core Facility grant awarded by the State Stem Cell Research Program, priority of the training must be given to recipients of the state stem cell grants, then non-recipients of the grants, and finally non-biomedical scientists. The training will be limited to two personnel per lab in years 1 and 2 of the grant.

**VI. Training Fee:**

Due to 50% budget cut in the state grant, the UConn Health Center Research Advisory Committee (HCRAC) has approved to fund the Core to establish a Cost Center. A charging plan is being developed for all the services the Core provides including the training in hESC culture.

**Fee for training in hESC culture**

Charge unit: Person per course

Institution	1st 2 trainees/lab	After 2 trainees/lab
UCHC	\$0	\$500
Storrs & Wesleyan	\$0	\$600
Others in Connecticut	\$750	\$750
Out of Connecticut	\$1,000	\$1,000

**VII. Liability.**

The Stem Cell Core and its personnel are responsible only for the training in hESC culture itself. They cannot be held liable for any hazard or accident that occurs to the trainee during the training, or for the level of competence attained by the trainee as a an outcome of participating in the training program.

**I understand and agree with the above conditions, and agree to comply with the policies and regulations of the University of Connecticut, University of Connecticut Health Center, and all State and Federal agencies governing hESC research. I will not use any hESCs in the Core or remove any hESCs from the Core without permission of the Stem Cell Core’s director or his/her designee.**
